

SENDPARCEL WOOCOMMERCE INTEGRATION GUIDELINE

The screenshot shows the POS Laju dashboard. The sidebar on the left contains a menu with the following items: Dashboard, Shipments, Topup (RM 58967.34), Cart (6), Integration (circled in red), Transactions, Settings, Flyers, and Feedback Form. Under the 'Integration' menu, 'Integration Manager' and 'WooCommerce Orders' are listed. The main content area displays a welcome message for 'ahmad shahir' and a dashboard with several key metrics: RM 58967.34 (Total Savings), Create (6 items in cart), Guides (9 pending shipments), How To (0 delivered shipments), and 0 cancelled/expired shipments.

STEP 1: Click INTEGRATION and choose INTEGRATION MANAGER at the drop down

The screenshot shows the 'Integration: Integration With ECommerce Platform' page. The 'New Integration' section has two steps: 'Step 1: Choose platform to integrate to' and 'Step 2: Review Orders if you're using store'. Under Step 1, there are two radio button options: 'Shopyify' and 'WooCommerce'. The 'WooCommerce' option is selected and circled in red. Below the options, there is a message: 'You will need to login to the store to verify your identity.' and 'You can select any from store order and move it to the Cart for further processing.' A yellow banner at the bottom of the main content area says 'No integration yet'.

STEP 2: Choose WOOCOMMERCE as your integration store option. Make sure you have login to your Woocommerce store before starting the integration.
